OUR MISSION

Create and support one-to-one mentoring relationships that ignite the power and promise of youth.

OUR VISION

All youth achieve their full potential.

As the region's largest donor-and-volunteer-driven mentoring network, BBBS of SWLA makes meaningful supported Matches between adult "Bigs" and youth "Littles" across a seven-parish area. Our organization is inclusive, affirmative, and inviting of all Bigs, Littles, families, and community stakeholders.

Youth who participate in our mentoring programs achieve proven positive outcomes including:

- An increased belief they can say no to drugs, violence and skipping school
- Have better grades, academic goals, and confidence
- Plans to graduate high school and college
